

THE ONTARIO N.S.D.T.R. CLUB

We are a group of dedicated members interested in the development and preservation of the Nova Scotia Duck Tolling Retriever.

We invite you to visit the Ontario Club website www.ontariotollers.ca to learn more about our Club and our Tollers and also the National Club site. www.tollers.ca

Tollers are high energy dogs that require lots of off leash running and retrieving to stay healthy and happy.

Puppy classes and ongoing obedience classes are a must to keep both their bodies and minds stimulated.

Dog events such as retrieving, agility, flyball, tracking etc. are all things that a Toller loves and excels in.

BREEDERS' LIST

For a list of breeders in Ontario check out the Ontario Directory of Breeders on our websites.

You will find Tollers at various dog events in Ontario, across Canada, the United States and overseas. If the event is fast and fun it's made for a Toller.

For a list of these events go to this website www.canuckdogs.com or The calendar of events section of the Canadian Kennel Club website. www.ckc.ca

Many Toller owners take their Tollers hunting and they have proven to be a definite asset for duck hunting as well as upland game and even rabbits.

If you think this is the breed for you, visit some breeders, meet their dogs then get on their waiting list. Hopefully you won't have to wait too long!
